Dear Zolt:

Enclosed is the little piece of paper which is made out at this set of figures so that there will be some available to start you off when you return. If I understood you correctly, you can scrape by on this for two months in addition to the sum you are getting from the paper. Since that will be a balance, it seemed preferable to me to do it this way. It is impossible for me to get it in travelers' checks, but you can do this readily yourself.

I had hoped to have been able to tell you that we had received clearance we asked for before your departure but that has not as yet come through. Daniels will contact him sometime this month, probably, but I cannot say when it will be beyond that.

I hope that you have a completely successful trip and that you get your complex personal problems straightened out. I would suggest that if you have any mail for me while you are overseas, you forward your letters to Lisa in the same way that Bert is doing and ask that she get them to Bud for forwarding to me.

Please accept my personal best wishes and know that I am looking forward to your return.

Most sincerely,
